NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

The following letter was written by John A. Delizza to The Washington (D. C.) Star and was reprinted in the Iraan News. Mrs. Leldon Clifton brought it to our attention recently.

SIR: Twenty-six years ago I was in a small town outside Salerno, Italy. It was around the end of World War II. The town had been completely destroyed, deserted by all the inhabitants—smoke, ruins, flame and destruction were all around us.

I was a young boy then. My friends and I were looking around for food; we were starving and scared. The Germans were all around us. All of a sudden we heard the terrible noise of machines—tanks were coming our way. We were scared; we embraced each other from fear. Who was the enemy? Were they Germans? If they were, they would certainly kill us.

Suddenly, in all these clouds of smoke we saw a flag; we saw a flag standing up straight, full of pride and honor. You should have been there; it was the most beautiful sight any man could have wished for. The tanks were getting closer; we didn't know what to do. We kept looking at the flag, looking, looking; and all of a sudden a smile was coming back to our face, first slowly and then bigger, bigger and deeper. It was the American flag, the American flag; and we cried and screamed with joy in our hearts. The fear was gone, there were no more soldiers to kill us.

"It's the American flag; the Americans are here," we cried. "We are free; freedom is here at last." And we ran down the hills, we ran to our mothers hiding in the hills, in caves, even in wells. We ran with the scene of that beautiful flag we had just seen in these clouds in our eyes. . . . The Americans, the Americans are here. Boy! What a joy it was; what a sight to remember.

We cried; we cried in our mothers' arms with joy; and I remember saying to my mother: "We are not going to be killed any more, Mother, the Americans are here."

How I have learned to love that flag ever since. How beautiful it was to see the sight of those American soldiers coming to our town to bring us justice, liberty, peace. How we learned to love those soldiers standing there outside of their tanks, beside the American flag. What men they were; what heroes.

Now after 26 years, I am living in America. I have lived here for 24 years and have been a citizen for 20 years. I have learned to love and respect that flag more and more; and, today, I feel just as strong about it as when I first saw that flag on the hills of Salerno. But the other day, when I saw on television, in the Capital of this great nation, a young American burning the American flag in the middle of Dupont Circle and waving the Communist flag straight up in the air, I could not feel anything but horror. I was shamed, broken-hearted. Then tears came down to my face. "Man," I said, "you are not an American. Your father could not be the same soldier that gave me life, freedom and justice on those far hills of Salerno. You are not an American. You don't really know what freedom means. If you believe so deeply that your country is wrong and the enemy is right, then go there. Go to China, to Russia, wherever you think that you want to be. I will pay your one way ticket."

"I am sure that deep down there are many Americans that would be more than willing to help you and other people like you with a one-way ticket out of this country; but don't come running back home to us because you didn't find running water."

To burn the American flag is treason. Ignoring the act is worse.

EVERYONE LOVES A PARADE

To hear the band, to see the uniformed soldiers, to see the might of our tanks, to see the strength of our country, these things stir the heart and make us proud to be an American. Our God has made us strong and blessed us greatly, however our greatest strength is in the Lord. "GOD is our refuge and strength, a very present help in trouble." In these unsettled times we need to show our faith in the Lord, and speak with the courage of one whose father can do all things. Renew your strength each week by attending services in the Lord's house.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

penalty back to the 14 and on fourth down tried an unsuccessful field goal. After an exchange of punts the Pipers took over on their own 20 and moved down to the Tiger 18 before fumbling. They got the ball back as the Tigers fumbled back to them on the first play. Going from the Tiger 15, the Pipers picked up a first down at the five but fumbled again on fourth down with Anson taking over at the 11. The Piper defense held as time was running out and Anson punted from their 12 to the Tiger 37. A seven-yard pass from Stewart to Ponder and a 15-yard penalty gave the Pipers a first down at the 15. Stewart tried a pass and then gave the ball to McDonald on a draw play that was stopped at the 10 as time ran out.

Welcome to All

Third Quarter Rally By
Tigers Downs Pipers, 12-8

The Pied Pipers let the Anson Tigers spoil their homecoming celebration here Friday night as they turned the Tigers loose for two touchdowns in the third period for a 12-8 Anson victory. The Pipers dominated the play during the other three quarters but failed to put enough points on the scoreboard.

The Pipers spent the night knocking on the Tiger goal line but could only find the right combination once. They gave up the ball on the Anson 38, 8, 27, 10, 39 and 27, 18, 11 and 10 yard lines, losing the ball four times on fumbles, one pass interception and twice on fourth down. The Pipers picked up a two-point safety in the first period when Daily Ponder tackled Anson Quarterback Charles Dalbert in the end zone and added six more

points in the second period on a 58-yard drive with Fullback Barry McDonald scoring from one foot out.

The Tigers scored on a 75-yard screen pass on their first possession of the second half and then came back to score again on their next possession with a 68 yard drive that saw Dalbert going around his right end for 22 yards and the score.

The Pipers took the opening kickoff to the Hamlin 49 and then moved into Tiger territory to the 38 before punting to the 15. The Pipers got the ball back on the Tiger 16 after recovering a fumble but gave it right back at the eight on a fumble of their own. This set up the safety as Dalbert was dropped for a one-yard loss to the seven and then Ponder got him in the end zone on the next play.

The Pipers took the free kick at the Anson 38 and moved down to the Anson 27 before fumbling again. The Piper defense stopped the Tigers again and they punted out to the Hamlin 35.

Picking up three first downs the Pipers moved down to the Anson 10 before losing the ball on downs when they were inches short of a first down. An Anson quick kick got the Tigers out of the hole when the ball rolled dead at the Hamlin 41.

The Pipers moved back into Tiger territory but on fourth down and needing one yard the Tigers held and dropped the Pipers for a three-yard loss. Two penalties and a big loss dropped the Tigers back to the 33 from where they punted to the Hamlin 42.

From this point the Pipers put together their only scoring drive of the evening. Quarterback Duane Stewart connected with End Charles Sellers for a 41-yard gain to the 17. McDonald and David Willis picked up 12 yards in four carries for a first down at the Anson five. McDonald carried twice for gains of two and one, Stewart carried to the one-foot line and McDonald scored on fourth down. Doug Elliot's kick was not good and the Pipers led 8-0.

With less than two minutes left in the first half the Tigers moved down to the Hamlin nine following the kickoff and then were thrown back to the 16. Picking up four yards to the 12, Dalbert tried to pass with Ricky Rodgers tipping the ball up and Greg Perrin catching it for the interception. He returned it out to the Anson 35 and the Pipers ran one play to end the half.

Following the second half kickoff, the Tigers lost 11 yards back to their 25 and then Dalbert connected on a screen pass to Mack Rye who went the 75 yards to score. The two-point try failed.

The Pipers picked up 14 yards to the Anson 49 but had to punt. The Tigers took over at their 32 and scored six plays later on Dalbert's 22-yard run. Again the two point try failed and the Tigers led 12-8.

The Pipers made their way back into Tiger territory only to have a pass intercepted at the Anson 22. The Tigers moved down to the nine-yard line and then drew a
